

# KFUL RUNWAY 06/24 CLOSURE

**WHAT:** Runway 06/24 will be closed for repair of the MALSR Approach Lighting system.

**DATE:** Project will be accomplished on May 2 and May 3, 2018.

**HOURS:** Runway will be closed to air traffic between 2:00pm and 7:00pm local time. If work is completed ahead of schedule, Runway will be reopened by Airport staff.

**WHERE:** Fullerton Municipal Airport

**WHY:** The MALSR system has been inoperative for several months. Project will consist of trenching and installation of new power cables and equipment in the Runway Safety Area immediately east of Runway 24.

**HOW:** Work will be accomplished by FAA Systems Support Center (FAA- SSC) staff. Work has been scheduled using all available staff in order to minimize impact to airport operations. Rotary wing aircraft will be allowed to make approaches to and departures from Taxiways Alpha and Bravo while the runway closure is in effect. Please contact the Airport Manager at 714-738-6323 with any questions or comments.
