

# Phoenix Airspace Users Work Group (PAUWG)

## May 18, 2023 Meeting Notes

### Conducted using Zoom

- 28 people attended.
- Meeting began at 0900.

### Opening Remarks, Chris Kesler (P50 TRACON) & Brian Ready (NBAA)

- Chris and Brian welcomed everyone.
- Brian mentioned the benefits of the PAUWG meetings.

### P50 TRACON activities- Mike Gabrick (P50 TRACON OSG specialist)

- Numerous cranes and drones near PHX due to I-10 and other construction, check NOTAMs!
- ILS Approaches are primary at PHX, RNAV IAPs to be implemented later.
- Explained IFP Production Schedule through May 2025

### IFP Production Schedule through April 2025

- 6/15/23:
  - PHX- all 6 RNAV (RNP) Z IAP procedures canceled.
  - GEU DVA amended.
  - SEZ RNAV (GPS) RWY 3 IAP revised.
  - SEZ BYTER ONE RNAV SID published.
  - SEZ OATES 2 SID canceled.
- 07/13/23 DVT IAP circling minimums amended on all 3 IAPs
- 08/10/23 DVT 3 ODP with appropriate DVT frequencies.
- 10/05/23:
  - CMR (Williams AZ) new RNAV(GPS) IAP to RWY 18 and an ODP.
  - SDL RNAV RNP 21 amended.

### Deer Valley ODP – Review and Update

- The Deer Valley Two ODP was effective 02/23/2023.
- Climb in Visual Conditions element was removed because it could not meet current VCOA design criteria in the DVT area.
- DVT TWO ODP is less confusing and should help reduce pilot deviations common with the previous DVT ONE ODP.
- DVT 2 ODP was published erroneously without the DVT Tower frequencies for ATIS, GC, and LC.
- FAA Flight Procedures Office has issued a corrective NOTAM to advertise the omitted frequencies.
- DVT 3 ODP will be published on the 08/10/23 Chart Date with appropriate DVT frequencies

### Mesa Falcon Field Copperstate Fly-In information

- Postponed until November 3-5, 2023.
- Will be smaller event than originally planned.
- For more information visit: <https://www.copperstateflyin.org/>

### **Tempe Entertainment District project update - Jordan Feld, PHX Sky Harbor Airport**

- Website: [www.skyharbor.com/tempeentertainmentdistrict](http://www.skyharbor.com/tempeentertainmentdistrict)
- The project was voted down by Tempe residents on May 16, 2023.
- Discussion ensued regarding PHX Sky Harbor's continued objection to residential development within designated noise areas near to Sky Harbor.

## **Airport and Organizational updates**

### **CHD Airport – Ryan Reeves**

- Numerous Crane operations continue near CHD.
- Numerous on and off airport construction projects, new FBO building planned.
- Runway core sample projects scheduled for May 25.

### **DVT Airport –Tyler Howard, ATCT Manager**

- Upgraded PAPIs for RWY 7L/25R are operational.
- Project to upgrade PAPIs for RWY 7R/25L will be underway soon.
- DVT ATCT is focused on becoming more efficient and providing enhanced traffic advisories.

### **FFZ Airport – Corinne Nystrom, Airport Manager, Bob Fletcher FFZ ATCT**

- New ATCT location will be just East of current Tower, construction bids underway.
- Runway paving projects complete.
- Numerous cranes around FFZ Airport.
- Welcome Zenya Cornejo to airport administrative staff.
- Reduced operating hours at FFZ ATCT due to staffing, check daily NOTAMs.

### **FLG Airport – Brian Gall, Airport Programs Manager**

- FLG FCT, Steve Belske is new manager.
- Mid-July Runway closure planned; other taxiway projects underway.
- New Hospital to be constructed adjacent to FLG Airport, will impact some surface areas.

### **GYR Airport- Brad Hagen**

- UAL flight school driving elevated traffic count and limitations on traffic pattern.
- Three construction projects planned.

### **IWA Airport – Greg Blunk (IWA FCT) & Scott Brownlee (IWA Airport Operations)**

- RWY30C/12C open but ILS 30C IAP will not be available until it gets Flight Checked.
- RWY12R/30L improvement project planned for later in 2023.
- Control Tower reduced hours 0600-2100 local UFN.

### **PHX Airport – Dustin Loftis & Jordan Feld**

- Project is planned to improve West Cargo Ramp later in 2023.
- Increased bird activity due to water and fish in adjacent Salt River bottom.
- Working on TDFM project with FAA.
- Discussion ensued regarding possible airport development at P48 (closed) site.
- DVT Airport has been forecast to have increased jet activity in future.
