

Environmental Group Asks Court To Enforce Unleaded Avgas Consent Agreement

If approved by the court, four fuel distributors in California will have to carry G100UL.

STORY BY RUSS NILES IN AVWEB - DEC. 8, 2024

Cirrus objects:

CIRRUS: "...our ex parte application (Below) to submit the Cirrus declaration is on file. CEH said they would oppose because they think the evidence is irrelevant. We revised the ex parte application to address this.

The declaration (attached) and accompanying photos are in the public domain and can be shared at will."
