To Jauregui, Jannette <Jannette.Jauregui@venturacounty.gov>

Good morning to you all,

You are receiving this notice as a follow-up to our communication sent last week. The Ventura County Department of Airports is conducting an Approach and Procedure Analysis (Study) for Camarillo Airport. This Study is a response to community input received during the County's ongoing Part 150 Noise Compatibility Study for Camarillo Airport. This new study focuses on evaluating how aircraft fly into and out of the airport under instrument flight rules, with the goal of identifying possible procedure adjustments that may help reduce aircraft noise. This Study will include technical evaluations, input from aviation experts, public meetings, and coordination with the Federal Aviation Administration (FAA).

Join Us!
Please join us for the first of three public meetings to learn more about the Study, meet the project team, and get your questions answered.

When: Tuesday, October 7, 2025, at 6:00 p.m.

Where: Camarillo Airport Administrative Office
555 Airport Way, Suite B, Camarillo, CA 93010

Special accommodation requests are available by reaching out to Jannette Jauregui at Jannette.Jauregui@venturacounty.gov. Requests must be made at least 72 hours in advance of a scheduled meeting.
