

Runway Safety Action Team Meeting

An invitation from Will Hoyt, Air Traffic Manager, Whiteman Airport Air Traffic Control Tower:

Subject: WHP 2026 RSAT

When: Thursday, August 6, 2026, 10:00 AM-12:00 PM (UTC-08:00) Pacific Time (US & Canada).

Where: Microsoft Teams Meeting; Whiteman Airport terminal building, 2nd floor large conference room.

Airport Users,

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at WHP Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. In conjunction with airport management, we will be conducting a local **RSAT meeting on 08/06, 2026. The meeting is scheduled from 10:00am-12:00pm, and will be held virtually through Teams.**

(Update: There will be an in-person component located in the Whiteman Airport Terminal building on the 2nd floor in the large conference room.)

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

Your participation is important and your input is welcomed. Please RSVP to William Hoyt at William.e-ctr.hoyt@faa.gov. Include the name, organization, phone number and email address of those who will be attending.

If you have questions or need more information, please let me know. I can be reached at (603)630-9666 and/or William.e-ctr.hoyt@faa.gov.

Sincerely,

William Hoyt
Air Traffic Manager
